“ Although we never had the privilege of meeting Ginny Klambara, it's clear she was a remarkable woman who raised an incredible son. Everyone here at Pfizer loves Mike "Klam", always sharing his pride and joy in his children and family, and that speaks volumes about the values Ginny instilled in him. Ginny must have been a very special lady, and I am sure she will be deeply missed. We extend our heartfelt condolences to Mike and his family during this difficult time.

“ I met Ginny years ago when my sister married her brother Bob. She as always glad to see you and could make you start laughing within minutes! She always felt like family. I last spoke with her on facebook several years ago and then I didn't see her on there anymore and always wondered where she was. God Bless her and the Olsen and Klambara families. She was truly a special person. Loved you Ginny. Catch you on the other side.
