“ *So sad to learn of Tommy's passing. We have fond memories from Windward Harbor in Avalon. He was a good person. I was happy that I got to see him last Summer down the shore. Our condolences to his family and friends.*

“ Tom was a good man with a big heart. He genuinely cared about other people, truly cared, and always put others needs ahead of his own. I know this first hand and was a benefactor of his selfless kindness.

I have known Tom my entire life. Tom and Leroy were my best friends and both were in our wedding. We grew up on Broadway Ave in Clifton. we walked to school together over a very scary bridge to St. Charles. We did crazy things like going to Philly without our parents knowing. Playing baseball on Rudy's lot and flipping baseball cards. We had a few fights which Tom usually won. We had a wonderful time growing up on Broadway.

After college Tom set me up for offers from 5 companies and took the insurance job which lasted 50 years.

I owe a lot to Tom and told him a few hours before he went to heaven. Rest in Peace in Heaven my Friend .

“ *I worked with Tom for many years as a client. We had a great business relationship, and I considered him to be a friend. Whenever we had a really hard position to fill, I would call Tom, and would know that he would have qualified candidates. I will definitely miss talking to Tom.*

“ *Tommy was my loving uncle and friend. Always caring and checking in on me. Family meant everything to him. He always made sure everyone was taken care of. When his mom (my Grandmom) wanted to visit me here in Oregon, he made it happen. Those were beautiful visits that would not have happened without his caring and generosity. Such a big heart. I will always cherish the visits back east and phone calls with him. We might have been on two different coasts but I never felt far away from Captain Tom. He will have my eternal love.
