“ Bill was a great guy and I got to know him at McCall. I would always see him finish his round as I was getting to the cub since he would tee off at the crack of dawn. Last year he gave me a ball marker with a Jewish star on it. Actually it is very nice. Someone gave it to him and he wanted me to have it since I am Jewish. I will always think of him when I mark my ball. Hopefully it will give me some good luck. My thoughts are with his family. May his memory be a blessing
